Sadly we are unable to offer tastings or wine by the glass in the shop at the moment...

But we do have some good news...

Online Bookings for Self-Guided Vineyard Tours are now being taken.

The tour has been carefully designed using a one way system, taking in the orchard and the vineyard, including walking down a row of vines, and views over Mounts Bay.

Only 8 households per 'tour window' to allow for social distancing and time for our staff to clean after each tour has been completed.

All Vineyard Tour visitors will be asked to provide their name and phone number to assist with the Government's Track & Trace initiative.

(We will safely store this information for the minimum requirement of 21 days)
